About this kit:

These cute pineapple earrings feature softly glowing vintage lucite beads, topped with German glass and sparkling crystal. Lightweight and fun to wear, these earrings will bring the tropics to you all year 'round!

The pineapple is a symbol of friendship and hospitality for years, being a sweet fruit that traveled around the world extensively from warm tropical climates and was greeted with so much appreciation for its sweetness... I love this saying about the pineapple:

Be a pineapple: Stand tall, wear a crown, and be sweet on the inside.
