Featured Gemstones:

Rich, warm citrine is paired with the daintiest rustic copper beads in this sparkling tribute to autumn. Featuring a sleek crescent moon pendant that perfectly completes the minimalist look.

Citrine is a stone that does not hold negative energy. It can be used to create emotional balance and to promote personal power, creativity, intelligence, problem-solving, and physical strength. It has been called the “merchant’s stone” because it can help one to acquire and maintain wealth. Citrine is a stone that promotes success in all realms, but most particularly in the spiritual realm and in matters of the heart.
