About this kit:

Selenite is a calming, soothing gemstone, and it can help dispel negative energy!

Crystal quartz helps keep you even-tempered, and assists one to think clearly and make decisions from a place of strength and calm. It promotes strength, stamina, and stability, and enhances wisdom, clarity of thought, general healing, memory, meditation, communication, transformation, awakening, cleansing, pureness of heart, intention, higher consciousness, positive thoughts, harmony, and love. This stone amplifies the effects of other stones it is combined with.
