- Round Nose Pliers
- Flat Nose Pliers
- Wire Cutter

Video Tutorial:

If you need a refresher on the basic wire wrap technique:

Basic Wire Wrap at The Bead Gallery: <https://tbg.tips/wirewrap>

To assemble the earrings:

Use the 6mm jump rings to attach the feather charms to the hoops.

String the amethyst and bead caps onto the head pins. Make a basic wire wrap loop on top of each bead cap.

Open the loops on the earwires, and attach the wrapped amethysts and the hoops – making sure the patterned side of the feather is facing forward.

Watch us make these earrings here:
